Prices are for prints shown in the gallery or on the website. All photographs are also available as either iris or silver prints (black and white or color) prints in the following sizes: 11" x 14", 16" x 20", 20" x 30", 24" x 36", 30" x 40" and mural size. For prices of prints different than those shown or on the web site, please contact the artist. The price for 11" x 14s" of most images is approximately \$1250.

Iris prints are digital prints on archival watercolor paper using a method which sprays ink for an extremely color saturated, painterly look. C-prints, silver prints and cibachromes are prints on photographic paper most of which are from scans of 35mm slides. Both are archival. None of the images are digitally altered unless indicated by the artist. All prints are signed and numbered.
